FRIDAY OCTOBER 2**

**SATURDAY COURTHOUSE
EVERY SATURDAY**

**CHRISTMAS MARKET
TOWN BEACH
THURS 10 DEC**

TOWN BEACH NIGHT MARKET

We have now activated the new Town Beach Night Market area. As we are sure you will all agree, it is a fabulous area. There would not be a market in Australia with such a magnificent view.

A huge thank you goes out to Cathie for the many hours spent in the initial planning stages, liaising with the Shire of Broome, and for all the work that went on behind the scenes to deliver the event.

Also, a big thank you to our all star team member, Larry and volunteer committee members who continue to give their time to help. It is still a work in progress so please bear with us. Upwards of 3000 people now attend a Staircase Market and we look forward to the continued success of this event.

Many thanks to the Shire of Broome for their continued support of this fanstastic event.

MARKET OFFICE

29 HUNTER STEET

As many of you will know, we now have an office. This is a long overdue necessity. Our new office space allows us to have an area where we can conduct everyday business activities as required to run the Market.

It also provides a place to hold committee and other meetings, reducing the need to hire a meeting room. Included in our rental agreement is the facility to store our trailer in a secure area where it is easily accessible to staff.

Notice of AGM

Tuesday 13 October
Broome Lotteries House
Hall 2
5:30pm

TEAM UPDATE

We would like to officially welcome Larry Kennaway to the Market team. Larry has been doing the job of Groundsman at the Courthouse and Town Beach Night Market, as well as acting in the position of Market Coordinator.

A big thank you to our Market Manager, Cathie Martin who will be finishing at the end of September. Congratulates to Cathie on the next stage of her career and we wish her every success in her new management role at Far North Community Services.

Frans Hoogland will be taking leave from the position of Market Coordinator at the end of September.

Save the Date

Member's Christmas Party
Sunday 29 November
Broome Fishing Club

STALL MANAGER

The introduction of Stall Manager software for the operation of our Market has been one of our best moves in recent years. The software is purpose designed for markets and brilliantly handles all facets of stallholder applications, approvals, bookings, invoicing, history, and communication.

Prior to adopting Stall Manager, the back end of market operations were unprofessional, unwieldy, and very time consuming. Stall Manager has brought a number of processes together in the one system and enables us to much more efficiently and effectively manage stallholder interaction and engagement.

All members are now registered and receive their invoices online. If you would like to pay monthly, please get in touch as this option is also available.

LOTTERYWEST GRANT

A big congratulations and thank you to our Market Manager, Cathie for successfully securing \$22,000 in operational funding support from Lotterywest for the Broome Markets. This funding is through the Lotterywest Covid Support funding stream.

The funding will go towards the operational costs of the Market such as the office rent, insurance, etc.

TOILET BLOCK

COURTHOUSE MARKET

Have you noticed the new lick of paint in the toilet block at the Courthouse Market? What about the new doors to each cubical?

At the beginning of the year we paid for the walls in the toilet block to be patched, sanded, and repainted both internally and externally. The internal beams were painted. All doors were replaced, painted and colour matched. We hope you will all agree what a difference this has made.

As a result the Broome Courthouse Registry Manager has made an application to the Justice Department for the toilet block to be retiled, and we await their reply.

BE ON THE COMMITTEE

Nominate yourself. Get your application in 2 weeks before the AGM.

All members are encouraged to go on the Committee.

If you have skills you would like to use, being on the Committee is a great way to positively contribute to the market community. Application forms can be downloaded from the website, or you can get one from the Market Coordinator or by email to info@broomemarkets.com.au
